

## COVID-19 Update – 4<sup>th</sup> May 2020

Dear Members,

Once again thank you to all members for adhering to our Social Distancing policy over the last couple of weeks without incident. Remember it will only take one “incident” to remove this privilege for all of us, so please continue to abide by the guidelines in place.

The course is in great order and our Greens staff of Brian, Jamie, Brendan and Leigh have been doing an outstanding job. They have been ably assisted by our volunteer brigade who continue to amaze with their efforts.

As the NSW Government move closer to possibly easing restrictions, and on the back of the great attitude of all members, it has been decided to open the **practice putting green** with the following restrictions.

- Only four people at any one time on the putting green (two at the Northern-most end, and two at the Southern-most end)
- Please Enter and Exit through the designated openings
- Maintain at least 1.5 metres separation whilst on the green.

In addition the **practice range** will be open for Jake and his staff to conduct lessons with an individual. They are the only persons allowed on the practice range. It is still closed apart from this exception.

It is anticipated that in line with derestriction, we will be opening soon for takeaway coffee and basic food on competition days. This will be confirmed and communicated shortly.

Thank you again for your understanding and support during these uncertain times.

**John Bull**  
QGC President
